

## Design it! Water Slide Wonderland!

Design the greatest ever water slide. Imagine you could invent a new water slide. How big will it be? What cool features will it have?

How will you scare the people who ride your slide? What is the landing like at the end of the slide?

The video to accompany this activity can be found at: [www.juniorinventors.com.au/?p=1253](http://www.juniorinventors.com.au/?p=1253)

Draw and label your invention:

**Name it!** Make up 3 names for your slide:

- 1.
- 2.
- 3.

Pick the best name and explain why you chose it:

**Build it!** What is your invention made of and why?
